

Hi Cathy,

I hope you are well,

I would like to express my heartfelt and profound thanks to the Gérard Basset foundation for awarding me a bursary towards my WSET Level 3. The financial support meant so much to me and now that i have attained my certificate this will have an everlasting impact on my journey in the wine industry and i am positive this will open great career opportunities for me moving forward.

Your generosity has not only lifted a financial burden but also gave me motivation to aim higher. You truly give hope and make dreams come true to financially underprivileged but intellectually capable and aspiring wine industry students.

Thank you to IWECC as well for believing in me and helping in acquiring and facilitating the bursaries and am glad it wasn't in vain, i have so much deeper understanding of the wine industry and a meaningful foundation for a career in wine.

Once again thank you so much!
